New Cases for the month	34		
Unfounded Cases for the month	7		
Closed Cases for the month	59		

A total of 34 new code case violations were processed and 59 case violations were closed in the month of March. Several unfounded violations were received this month, some that are not reflected in the monthly count. Work without permit violations were the highest number of new code cases. Multiple violation notices were issued, and numerous code case and zoning inspections were made in the month of March; see adjacent table figures. In addition to the normal code enforcement cases, the project continues to verify pool compliance for permits and final inspections. Assistance in the permit center continues to be provided.
