To: Chief C. Morris
Subject: Community Policing Involvement Report
From: CRO. V. Denoble

The third month of FY 2022 was very successful in community involvement. Our Police Department is making progress in many areas of concern within the community. The Department has concentrated on addressing issues raised by the citizens of Oak Island and focused on being more involved in the community.

The Department is building a stronger relationship with the community by hosting and attending multiple community events. Doing this will help us work closely together with the community to achieve a common goal. During the second month of the newly piloted program, the Department has attended or hosted a total of 20 community events.

The following is a list of community events that the Department has attended or hosted. Some of these events have been around for a long time; however, didn't have much or any Law Enforcement involvement prior to August 1st, others are events that were created and designed by the new Community Resource Officer to attempt to build a better rapport with the community.

1. 08/05/2022, Missed event. CRO. Denoble was able to get a family adopted by the Ocean View Methodist Church for a back-to-school program. This family was provided with much needed school supplies for both their children. The Church was also able to provide new clothes for both the children as well at no cost to the family
2. 10/01/2022, CRO. Denoble and Officer Phillips attended the weekly Fall music festival. They engaged members of the community in conversation, providing security and attended to any traffic control needs.
3. 10/01/2022, CRO. Denoble attended the Oak Island fall market. He spoke with attendees, vendors and handed out stickers.
4. 10/04/2022, CRO. Denoble Co-hosted a security assessment meeting with the BCSO Impact Unit at the First Baptist Church of Oak Island. A three-hour assessment was done on the house of worship for potential security issues, and a list of changes and recommendations was given to the pastor and members of the meeting. A follow up meeting will be conducted to see how much progress was made on a later date.

5. 10/05/2022, National CWAC (Coffee with a Cop) day was celebrated all around the US by hundreds of Local Law Enforcement agencies. Today the Oak Island Police Department celebrated CWAC at Scoops Donuts and Ice Cream. The event was a success and had nearly 25 total attendees. Patrons went through approximately 3 pots of coffee and brought up several topics of conversation. The Department of Insurance Criminal Investigation Division came as well and spoke about fraud and how to not become a victim of it.

6. 10/05/2022, Chief Morris and CRO. Denoble attended the Brunswick County Community College Basic Law Enforcement Training graduation. While there honoring students who graduated from the program, Chief Morris and CRO. Denoble spoke with the currently enrolled fall class about recruitment.
7. 10/08/2022, Sgt. Taylor attended the weekly Fall Music Festival. They engaged members of the community in conversation, provided security and attended to any traffic control needs.
8. 10/13/2022, Chief Morris and Lt. Hames attended the first ever "See You at the Station" open-house event. This event was hosted by Oak Island FD at Station 2.

10. 10/15/2022, CRO. Denoble and Cpl. Locklear attended the weekly Fall Music Festival. They walked through the festival, engaging members of the community in conversation, providing security and attending to any traffic control needs.
11. 10/18/2022, Multiple members of the Oak Island Police Department met with local church leaders and town employees for the second Fellowship Faith Leaders meeting. This meeting will be held monthly to discuss issues with the town, local businesses who need assistance and families that are in need. Several community event ideas were brought up during this meeting as well.
12. 10/18/2022, Chief Morris and Officer Denoble went to Brunswick Community College on a recruitment campaign. They introduced the brand-new program designed by Officer Denoble to hire and pay qualified applicants to go through BLET. Due to this, the department has received multiple applications from current cadets as well as future cadets. The creation of the cadet program appeared to be a success just hours after implementation.
13. 10/19/2022, Multiple officers of the department attended the annual Operation North State Fishing Derby. This event is to honor disabled veterans (wounded warriors) with a week of free fishing, food and entertainment. Officers spent the day fishing, talking, and having lunch with dozens of veterans while out on the pier. Nearly 100 vets attended on this day.

14. 10/20/2022, Oak Island PD co-hosted a “Partnering to Fight Fraud” event with the NC Department of Insurance at the Cape Fear Regional Jetport. Multiple Agents and Attorneys spoke about different ways to identify, investigate and enforce fraud, within

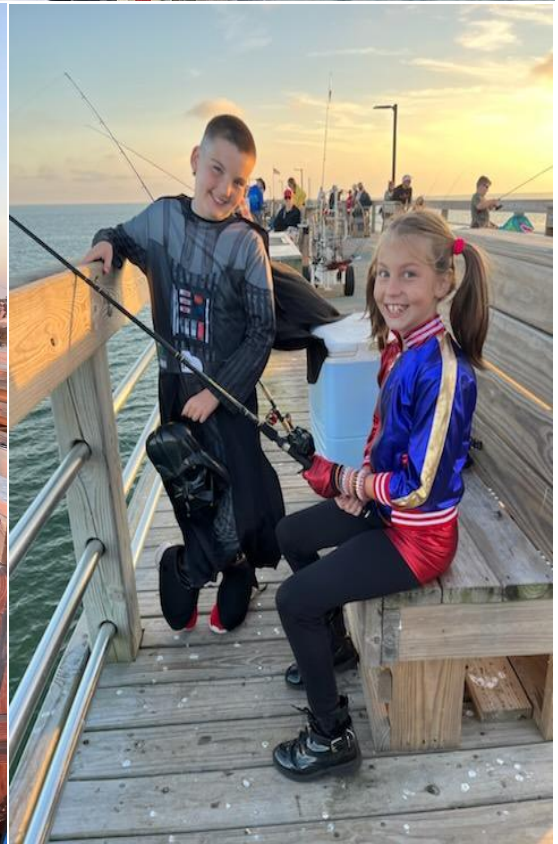

the community. A representative from every single Law Enforcement agency in Brunswick County was present at this meeting.

18. 10/29/2022, Officer Cutchins assisted in the second annual Oak Island Witches Ride. This event is a fundraiser for different organizations. Several hundred witches ride their bicycles on the island, shopping at local businesses and eating at local restaurants. The

idea is to give both to the community and to a charity of their choice. This year the event benefitted the Oak Island Water Rescue.

19. 10/29/2022, Multiple Officers of the Oak Island Police Department attended and participated in the annual Spooktacular event. Officers set up a tent, table and games for children to play. They handed out over 2,000 pieces of candy, 300 coloring books and 100 wristbands.

20. 10/31/2022, CRO. Denoble attended the annual Moose Lodge Trunk or Treat. Though it was a smaller event CRO. Denoble handed out over 500 pieces of candy to the children who attended.
