Department Accomplishments & Goals

- **New OKI-TV Server:** The new server for OKI-TV has arrived, and setup is currently underway. Project to launch channels on the new Roku and Amazon platforms by early October
- **Content Creation:** Town has officially partnered with Brenda Torrey photography, to serve as a contracted Media Content Creator, and generate photos / video at various Town events for news, information, and marketing purposes.

Economic & Community Development

Monthly Report | August 2026

Business Engagement & Recruitment

- 18 business engagements
- 6 active business prospects
- 3 new business inquiries
- Continued coordination with businesses, property owners, brokers, and prospective businesses

Economic Development Initiatives

Town Center Feasibility (DFI): DFI stakeholder engagement completed, market analysis underway, ongoing check-in meetings

Destination Branding & Wayfinding: Project coordination underway

Facade Improvement Grant: Program updates developed for the upcoming grant cycle

Business Outlook Survey: 60 responses received; results analyzed and final summary completed

Placer Implementation: Staff onboarding, dashboard configuration, and location setup underway

Retail Strategies: Implementation underway, including property prioritization and preparation for upcoming workshop

Business Exit Survey: Began development of a Business Exit Survey to better understand closures, relocations, and ownership transitions

Strategic Planning

ClearGov: Departmental strategic plans entered into ClearGov and published on the Town website, creating a centralized location for tracking priorities and progress

Plan Updates: Organized departmental listening sessions for future use in development of the Town's next strategic plan

Project	Location	Status
Quickies Car Wash	Midway	Final Plat Approved
Christian Brothers Automotive	Midway	Under Construction
211 Mini Storage	Midway	Under Construction

2026 Business Outlook Survey Results

This survey provides a snapshot of how Oak Island businesses are doing today, the challenges they face, and where they see opportunities for the future.

This feedback will help guide future initiatives, improve communication, and ensure the Town's efforts continue to support a strong and resilient business community.

Current Business Challenges

What We Heard

- 1. Clearer Processes:** Businesses want consistent requirements, transparent fees, fewer repeat requests, and predictable timelines.
- 2. Proactive Communication:** Businesses want targeted alerts, regular check-ins, and earlier notice of changes affecting operations.
- 3. Better Access and Visibility:** Parking, sidewalks, crosswalks, visitor circulation, and promotion remain recurring priorities.
- 4. Year-round Economic Support:** Businesses want off-season marketing, workforce assistance, resource connections, and events that benefit local businesses.

Oak Island Police Department

4621 East Oak Island Drive • Oak Island, N.C. 28465

Charles A. Morris II, Chief

Date: August 1, 2026 – August 31, 2026
To: Chief C. Morris
Subject: Community Policing Monthly Involvement Report
From: CRO Joe Trahey

During August 2026, the Oak Island Police Department's Community Policing efforts remained focused on community engagement, public safety, partnership building, and preparation for upcoming Town events. Activities included the Dutchman Dinghy Dash, the Cram the Cruiser teacher-supply drive, weekly Farmers Market walk-throughs, Friday Night Concert Series assignments, and advance planning for National Night Out/Spooktacular.

These activities gave me several opportunities to connect with residents, visitors, Town staff, families, local organizations, and community partners in a positive setting outside of enforcement duties.

Dutchman Dinghy Dash – August 1, 2026

On August 1, 2026, the Community Resource Officer supported the annual Dutchman Dinghy Dash. Approximately 273 people attended the event, and 15 teams entered the competition.

The race brought together residents, visitors, competitors, volunteers, Town staff, and public-safety personnel for a fun Oak Island tradition. Throughout the event, I maintained a visible presence, spoke with attendees, assisted where needed, and helped ensure the event remained safe and enjoyable.

The strong turnout demonstrated the community's continued enthusiasm for the Dutchman Dinghy Dash. The relaxed atmosphere also provided an excellent opportunity for the Police Department to interact with the public and strengthen community relationships.

Oak Island Police Department

4621 East Oak Island Drive • Oak Island, N.C. 28465

Charles A. Morris II, Chief

Cram the Cruiser / Teacher Supply Run – August 18, 2026

On August 18, 2026, Carolina Coastal Group of Northrop Realty along with the Police Department helped conduct the Cram the Cruiser teacher-supply drive at the Police Department 4621 East Oak Island Drive, from 9:00 a.m. until 12:00 p.m.

The initiative received strong participation from personnel and departments throughout Oak Island. Donated classroom materials were collected to support local teachers as they prepared for the new school year.

Oak Island Police Department

4621 East Oak Island Drive • Oak Island, N.C. 28465

Charles A. Morris II, Chief

This event was a successful example of the Oak Island Police Department's wide cooperation and community service. It allowed the Police Department to support local educators while encouraging community camaraderie to participate in a practical outreach project.

Conclusion: Cram the Cruiser was completed successfully and demonstrated how coordinated outreach can connect Town personnel, law enforcement, and local schools around a shared community need.

Monday Farmers Market – Middleton Park

The Community Resource Officer continued regular Monday walk-throughs at the Oak Island Farmers Market during August.

These walkthroughs provided a consistent and approachable police presence while allowing for informal conversations with vendors, residents, visitors, and Town staff. The recurring contact also created opportunities to answer questions and identify public safety or community concerns.

The Farmers Market remains an effective setting for community policing because it allows the Department to maintain visibility and strengthen relationships in a relaxed, familiar environment.

Oak Island Police Department

4621 East Oak Island Drive • Oak Island, N.C. 28465

Charles A. Morris II, Chief

Friday Night Concert Series – Middleton Park

I continued to participate in the Friday Night Concert Series throughout August.

Responsibilities included maintaining a visible police presence, interacting with attendees, monitoring pedestrian and vehicle activity, assisting with safety concerns, and coordinating as needed with Oak Island staff and other public-safety personnel.

The concerts continued to provide one of the Department's largest recurring opportunities for creating a positive summertime contact with residents and visitors while supporting the safety needs of a heavily attended public event.

National Night Out / Spooktacular Planning

During August, invitations were distributed and advance planning began for the National Night Out/Spooktacular event scheduled for October 24, 2026, at Middleton Park.

These planning efforts focus on early outreach, participation, event coordination, and the operational needs associated with combining National Night Out activities with the Oak Island's Spooktacular celebration. Beginning coordination well in advance ensures that participating organizations and all departments within Oak Island have adequate time to prepare.

Oak Island Police Department

4621 East Oak Island Drive • Oak Island, N.C. 28465

Charles A. Morris II, Chief

This event will provides an important opportunity for residents, families, law-enforcement officers, first responders and community organizations to interact in a positive and family-friendly setting.

Community Policing Impact

August demonstrated the value of combining major community events, recurring public contacts, service projects, and long-range planning within the Department's community-policing mission.

The month's activities helped:

- Strengthen relationships between police officers and community members.
- Increase positive, non-enforcement contacts with residents and visitors.
- Maintain police visibility at heavily attended summer events.
- Support local teachers through a successful Town-wide supply drive.
- Build partnerships with Town departments, volunteers, and community organizations.
- Prepare early for National Night Out/Spooktacular and other upcoming events.
- Promote the Oak Island Police Department's commitment to community-oriented policing.

Looking Ahead – September 2026

The focus in September will remain on maintaining positive relationships with residents and visitors, supporting safe community events, continuing outreach and public-safety education, and advancing preparations for National Night Out/Spooktacular and other fall activities.
