WELCOME to *THE CURRENT*, the weekly digital newsletter for the Town of Oak Island, NC.

"Honor to the Soldier, and Sailor everywhere, who bravely bears his country's cause."

When President Abraham Lincoln delivered this phrase on December 2, 1863, it was originally in a letter to New York Mayor George Opdyke, who was overseeing a city torn apart by draft riots earlier that year. While this has since become a rallying cry for honoring our Nation's Veterans, it's important to remember the full quote also extends honor to the ***citizen who supports the soldiers and sailors.***

That "***honor***" is better read here as "***responsibility***" -- and is an important and noble duty we citizens are charged with. In remembering our veterans, we honor their service and commemorate their sacrifices; understanding that the freedoms we enjoy may have been declared on parchment, but they were delivered in battle!

In our effort to honor all who have served in the U.S. Armed Forces this Veterans Day, please note that Town Administrative Offices and Facilities will be **CLOSED** on **Tuesday, November 11, 2025.**

With a cover photo overlooking our beautiful Veterans Park, we sincerely say ***Thank You to our Veterans*** as we start this week's edition of ***The CURRENT.***

Customer Service Survey **NOW OPEN**

For the **next 20 days**, from **November 10 - 30**, the Town of Oak Island is inviting residents and visitors to participate in the **Second Annual Customer Service Survey**.

Now **OPEN** to the public, the Survey will be available both **online** and **in person**, with paper copies at every Town Facility. This Survey is part of the Town's annual **Research, Review, & Response** efforts to improve the quality and consistency of the customer experience in Town Hall and all other facilities.

The first-ever Survey conducted last year was a tremendous success, with the results contributing to customer service updates already being seen.

This is **your opportunity** to help the Town of Oak Island **serve you better!**

To **VIEW** or **SHARE** more information on the Survey, just scan the QR code on any of the flyers seen around Town, or visit the **Contact & Surveys** page at OakIslandNC.gov/SURVEY or click the link below.

Beach Nourishment Project Begins

It's been several years in the making, but on-location work for the **2025 / 2026 Beach Nourishment Project** will officially begin **THIS WEEK!**

NOTICE: Starting on **Friday, November 14, 2025** the public parking area and Beach Access Locations on **SE 49th St.** will be **CLOSED** until further notice, to allow for equipment placement and project staging

Additionally, as of this week, a surveyor from **Weeks Marine** (the contractor performing the dredging and sand placement) will begin performing the **Before Dredging (BD)** surveys along the beach. Both the **BD** and **AD (After Dredging)** Surveys will be performed regularly throughout the project and will begin at the eastern edge of the work area near SE 46th St. and move towards the West as the work progresses.

To **view and share** full details and progress updates throughout the entire project, visit the **Beach Nourishment Project** page at OakIslandNC.gov/SAND or click the link below.

Sidewalk Project Moving Forward

Last month, the Town Council approved the contracting services needed to begin **Phase I** of the **Commercial Area Sidewalk Improvement Project**. This project will add **NEW** sidewalk along more than half a mile of **E Oak Island Drive**, from NE 46th St. to NE 56th St. Most importantly, this will also accommodate the future **installation of Pedestrian Crosswalks**.

PROJECT UPDATE: Starting this week, **survey work** will begin to establish and mark the project's construction area. All the survey work should be conducted within the Right-Of-Way (ROW) and should not affect vehicle or roadway traffic.

Additionally, the contractor who will be performing the new sidewalk installation, Morgan Trucking and General Construction Inc., is anticipating to begin staging equipment and materials by as early as next week (November 17). Currently the project timeline remains on schedule, with a completion tentatively expected by the early Spring of 2026.

As a reminder, to **view and share** updates on this and all other major Town construction efforts, just visit the **Town Projects** page at OakIslandNC.gov/PROJECTS or click the link below.

Water Disinfectant Change Notice

In October, the Brunswick County Public Utilities Department began its **Annual Disinfection Changeover & Flushing Program**. During the past month, Public Utilities crews have worked to flush water mains and distribute chlorine throughout the County system.

NOTICE: As of this past **Saturday, November 8**, Brunswick County has **converted back** to using Chloramines as the primary disinfectant. Hydrant Flushing will continue throughout the rest of the month of November.

During this transition period of changing the primary disinfection agent back to chloramines, customers may experience a brief period when there may be a noticeable change in the taste or smell of the water. This is a normal part of the process and water is safe to use. Depending on your location within the distribution system and usage patterns, it could be two to three weeks for your drinking water to transition from free chlorine to combined chlorine. If taste and/or odor problems persist, please contact the Brunswick County Public Utilities Department.

NOTE: The information is provided by the **Brunswick County Public Utilities Department**, and not from the Town of Oak Island. To view the full notice or ask questions directly from the Department, visit the Brunswick County website  BrunswickCountyNC.gov or click the link below.
