CHARLES A. MORRIS II

OAK ISLAND POLICE DEPARTMENT

2025

“PROUDLY SERVING OUR COMMUNITY”

EMERGENCY: 911 • NON-EMERGENCY: 910-278-5595 • WWW.OAKISLANDN.C.COM/POLICE • PHOTOS BY BRENDA TORREY PHOTOGRAPHY

The mission of the Oak Island Police Department is to serve and protect the community by delivering professional police services; officers will enforce the law, ensure the safety of our community, and protect the rights of all citizens by policing with fairness and integrity.

Vision Statement

We strive to exceed the expectations of those we serve, focus on being positive, and treat everyone with the highest level of professionalism.

**Chief of Police
Charles A. Morris II**

**Assistant Chief
Franklin Cooke**

**Detective Lieutenant
Michael Oxford**

**Patrol Lieutenant
Loyd Hames**

Message from the CHIEF OF POLICE

On behalf of all the members of the Oak Island Police Department, it is my pleasure to present our 2024 Annual Report. The information contained in the following pages reflects the outstanding work completed by our dedicated staff and officers.

The report outlines the services and accomplishments achieved by the Department, along with statistical information on crime and traffic, as well as partnerships that have been built with the community throughout the year.

The Department works daily to keep our community protected and streets safe. Traffic safety, community engagement, beach safety, and employee development continue to be priorities as we remain focused on delivering the highest quality of police services possible.

Even though our town has thousands of visitors each year, the Town maintains a low crime rate. Over the past few years, the Department has overseen and greatly improved the Traffic Safety Camera project expanding to more than sixty safety cameras throughout the Town which capture the high traffic and high liability areas. This has been a great addition that adds another layer of safety to our community.

As with many beach communities, the use of Low-Speed Vehicles (LSVs) is a popular and convenient way to travel around the island during the summer season. In response to the increasing number of LSVs, the Department launched the “Slow Ride: Take it Safely” campaign, which included a video and map to help LSV drivers navigate the Island in a safe manner.

Additionally, the Department conducted Active Shooter training for Town employees and completed security assessments for numerous town buildings.

Community engagement and partnerships continue to remain a priority, as our Community Resource Officer and patrol officers are accessible and frequently involved in Town events. In 2024, we hosted or participated in community events such National Night Out, School Supply Drive, The Clause Cause, Banding Together for Western North Carolina, and many others. We are grateful for the community support as we work to reinforce our established relationships, solving problems together as they arise.

I want to thank all the members of the Oak Island Police Department for doing an outstanding job and extend a special Thank You to the Oak Island community for their support and for allowing us to serve.

Charles A. Morris II

Charles A. Morris II
Chief of Police

S.W.O.T Analysis

Strengths

- Residents Feel Safe
- Traffic Safety Measures
- Support from the Community
- Community Oriented Policing
- Officer Training
- Vehicles and Equipment

Weaknesses

- Recruitment of New Officers
- Increase our online presence

Opportunities

- Further law enforcement accreditation
- Providing a positive professional working environment that enables Officers to perform at their highest levels
- Increase recruitment efforts
- Increase In-Service training beyond state minimum

Threats

- Natural disasters: Hurricanes and Tropical Storms
- Minimal police officer applicant pool
- Seasonal influx of visitors

**Oak Island Police is Accredited through
NC League of Municipalities**

In an effort to maintain accountability and provide a professional level of service, the Oak Island Police Department reached a milestone by completing the Risk Review Process through the North Carolina League of Municipalities.

This was an in-depth review of the Department's high-risk policies, operations, and administrative practices of all high liability areas, which concluded with an onsite assessment. This achievement truly enhances the police services provided to the community and ensures the department is operating under industry best practices.

2024 New Hires

Officer Holleman

Officer Holleman moved to Brunswick County four years ago, where he then completed his Basic Law Enforcement Training (BLET) at Brunswick Community College

He then worked for 2.5 years with the Boiling Spring Lakes Police Department.

During his free time, he enjoys attending car shows and being at home with his family and friends.

Officer Holleman joined the Oak Island Police Family February 13, 2024.

Officer Trahey

Officer Trahey has been working as a law enforcement officer in several different agencies since 1995.

In 2000, Officer Trahey joined the Charlottesville Virginia Police Department, then headed north to the City of Fairfax Police Department, just outside Washington D.C., where he worked for the next twenty years serving as a S.W.A.T. Team Operator, Motor Carrier Inspector, Children's Safety Seat Technician, Motorcycle Police Officer, patrol and several supervisory positions. In 2022, he went to work in the courts of Spotsylvania County through the Sheriff's Office, where he eventually retired from law enforcement in Virginia.

Officer Trahey joined the Oak Island Police Family May 7, 2024

2024 New Hires

Continued

Officer Hallum

Officer Hallum has been in law enforcement since 2016, having started with the Charlotte-Mecklenburg Police Department, where he was assigned to the patrol division for 5 years.

During this time, he received his Intermediate Law Enforcement Certification through NC Training and Standards and became certified in Traffic Crash Reconstruction.

Following this, he moved to Minnesota, where he was sworn in as a Minnetonka Police Department Peace Officer, serving for a year and a half before returning to North Carolina to join the Oak Island Police Department. Officer Hallum joined the Oak Island Police Family August 28, 2024.

Officer Kneepshield

Officer Kneepshield moved to Brunswick County four years ago, where he was hired as a Basic Law Enforcement Training (B.L.E.T) cadet by the Oak Island Police Department.

On, December 20, 2024, Kneepshield graduated the Cape Fear Community College B.L.E.T Program and is eager to start working for the Oak Island Police Department.

During his free time, he enjoys basketball and spending time with his family. He has always known that he wanted to be a law enforcement officer and serve his community.

Officer Kneepshield's first day on the job with his Oak Island Police family was January 1, 2025.

Promotions

Detective Sergeant Bradley Stevens
was promoted from the rank of
Detective in January 2024.
Detective Sergeant Stevens has been
with Oak Island Police Department
since September 2020 and is assigned to
the Detectives Division.

Cyclone #8

The National Hurricane Center issued advisories on **Tropical Cyclone #8**, an area of low pressure off the South Carolina coast. This was projected to become a subtropical or tropical storm prior to landfall on Monday, September 16, 2024. In a 12- hour time frame, Brunswick County received up to 20 inches of rain. In the image shown, Officer Bass is blocking Long Beach Road after it was deemed unsafe for travel due to flooding.

Departmental Goals

Category: Safe Community

| Goal | Objectives | Activity | Measure |
|--------------------------------|--------------------------------|-----------------------------------------------------------------------------------------------------------|----------------------------|
| <i>Ensure a Safe Community</i> | Calls for Service Times | The average length of time it takes an officer to arrive after an emergency call for service is received. | 2 minutes & 51 seconds |
| | Clearance Rates | The percentages of violent and property crimes cleared by arrest or exceptional means. | 86% |
| | Traffic Safety | The annual number of traffic accidents with and without personal injury | 219 Without 13 Injuries |
| | Expand Traffic Safety Services | Purchase additional radar speed trailer/mobile message board | Completed by 7/1 |

Category: Community Engagement

| Goal | Objectives | Activity | Measure |
|----------------------------------------------------------------|----------------------------------------------------------------------|------------------------------------------------------------------------------------|---------------------------------------------------------------------------|
| <i>Continue to engage the community and build partnerships</i> | Increase the PD's online presence | Enhance the town's new "App" with meaningful content | Provide framework and information to the Communications Department by 5/1 |
| | Establish an online platform for citizens to communicate with the PD | Create an online form for citizens to comment: Commend or complain | Information provided to the Communications Department by 5/1 |
| | Publish monthly crime statistics to the community | Create an accessible online category for reporting monthly statistical information | Information provided to the Communications Department by 5/1 |

Category: Employee Recruitment and Development Strategies

| Goal | Objectives | Activity | Measure |
|----------------------------------------------------------|-----------------------------------------------------------|-----------------------------------------------------------------------------------------------------------|-----------------------|
| <i>Enhance recruitment and staff development efforts</i> | Review recruiting process to expand on the applicant pool | Create a recruiting committee to provide recommendations on ways to expand the pool of quality applicants | Completed by 3/1 |
| | Enhance the online recruiting efforts | Create a professional recruitment video | Completed by 1/1/2026 |
